

## 6 HOUR BLAST 2020

**NOTE: E-BIKES - we announced on 28/9 that we would allow E-Bikes in the event under the following conditions;-**

- 1) solo or team riders can compete on an e-bike (teams may have a mix of e-bikes/normal mtbs in them)
- 2) e-bikes must conform to nz standard which means speed does not exceed 32 km per hour
- 3) riders must email [entry@bluedogevents.nz](mailto:entry@bluedogevents.nz) to advise they're competing on an e-bike so it can be noted
- 3) solo riders or teams will then have an E placed after their name so it is transparent to everyone an e-bike is being ridden
- 4) there is no specific category for e-bikes & if riding an e-bike you do so on the understanding that you or your team will not qualify for a category placing.

### Confirmed entrants list as of 5th October 2020
